OVE webshop and event registration guideline

In case you are not yet registered in the OVE webshop, go to:

https://shop.ove.at/en/register

The webpage should be set to English. Fill in the form and push the REGISTER-button. Then you will be prompted to confirm your mail address.

Once this is done log in with your account. You can directly login here:

https://shop.ove.at/en/login

Then go to the event on our webpage you want to register for. The forms from here on are hardcoded in German. The following guideline shows the most important information translated into English. To proceed, the following steps need to be performed:
